Routledge Handbook of Seascapes

Edited by **Gloria Pungetti**, University of Sassari, Italy

Series: Routledge Environment and Sustainability Handbooks

This global volume is the first comprehensive overview to provide a solid foundation on the concept of seascape, with the latest research findings from leading experts across a variety of fields, with the latest research findings from leading experts across a variety of fields, offering a holistic approach to seascape linking nature with culture, and theory with practice. Divided into six parts, it includes over 30 chapters from contributors around the world. Pioneering methods with illustrated case studies in the Mediterranean, Scandinavia, North Sea, North America and Asia, serve as examples for future seascape development, conservation and governance. An important and extremely timely resource, the *Routledge Handbook of Seascapes* provides academics, practitioners, NGOs, consultants and government officials with a broad overview of current research and practice for future application and advance worldwide.
