CALL FOR APPLICANTS
ERASMUS+ KA131
MOBILITY GRANTS FOR STUDENTS AND STAFF FROM UKRAINE
A.Y. 2024/2025

1. Purpose of the Call

According to the decisions adopted by the European Commission aimed at facing the humanitarian emergency caused by the ongoing conflict in Ukraine, the University of Sassari (UNISS) offers Erasmus+ mobility grants for students enrolled in a Ukrainian University and for staff employed in a Ukrainian University. Applicants may choose to carry out a study/traineeship/teaching or training mobility period at UNISS. To be eligible, students and staff must have enrolled/be employed at a Ukrainian University before the start of the conflict.

2. Mobility grants available

For the A.Y. 2024/25 the following Erasmus+ mobility grants are available:

- No. 2 mobility grants for study or traineeship mobility periods at UNISS, for a maximum duration of 6 months each.
- No. 2 mobility grants for staff (Professors or administrative staff) for teaching or training mobility periods at UNISS for a minimum duration of 5 days ad a maximum duration of 2 months.

STUDENTS

Student mobility type

Eligible activities for students include:

A) STUDY MOBILITY

- Full time study activities (lessons, exams or thesis preparation or all of them).
- Additional traineeship activities, to be defined with the relevant hosting Department.

B) TRAINEESHIP MOBILITY

- Full time traineeship activities.

Applicants interested in a traineeship mobility may choose among one of the positions available [HERE](#).

Student mobility duration

The mobility period shall have a minimum duration of 2 months. Shorter periods are not eligible. The study/traineeship mobility period must be arranged between January/February and July 2025. In case of traineeships, the relevant mobility periods are specified for each position.

The mobility activity must be carried out by 31/07/2025 at the latest.

In case the selected participants cannot carry out at least 60 days of mobility due to force majeure, the Erasmus+ Italian National Agency might consider recognising the mobility period carried out and the corresponding funding.

Each mobility grant for students amounts to € 1,100 per month, including:

- Euro 850.00 per month as individual support
- Euro 250.00 per month as top-up for students with fewer opportunities

Selected students will be exempted from paying any tuition fee at UNISS as foreseen by the Erasmus+ Program regulations.

Incompatibility

The mobility grants offered under the present call are not compatible with other grants offered by the University of Sassari to Ukrainian students and staff. If candidates are awarded more than one grant, they may choose which grant accept for the whole duration of the mobility period.

Application requirements for students

Eligible applicants are required to be regularly enrolled in a Ukrainian Higher Education Institution at the time of application. Only students who were already enrolled before the start of the war can apply.

Applicants are required to provide evidence of their enrolment by submitting at least one of the following documents **in English**:

- certificate of enrolment
- declarations issued by competent Ukrainian Higher Education Institutions or authorities, stating the enrolment at a Ukrainian Higher Education Institution

In case of mobility for traineeship, students must meet the specific requirements specified for each position. Eligible applications will be subject to final approval by the host institution/company.

STAFF

Staff mobility type

Eligible activities for staff include:

- Teaching

- Training (job shadowing, training, workshops)

Selected participants will receive the financial contribution as a reimbursement of the expenses incurred up to € 160 per day, until the 14th day and up to € 126 between the 15th and the 30th day, upon submission of the supporting expense documentation to the Mobility and International Relations Office.
