Subject: Join the Complutense Library International Staff Training Week 2023! - Universidad Complutense Madri

To: Antonfranco Temussi <relint@uniss.it>

Dear Colleagues,

Complutense Library is delighted to announce the **ERASMUS Library Staff Mobility week, 22-26 May 2022**, in Madrid, a dynamic and engaging programme of training for library colleagues under the ERASMUS scheme: <http://staffmobility.eu/staffweek/universidad-complutense-library-staff>

The programme consists of presentations by library staff in the Central Library Services and it will include visits to the Heritage Library, “María Zambrano” Library and faculty libraries in the Campus. This short-term stay for training purposes will offer librarians great opportunities for networking and for sharing knowledge, experiences and best practices within and across professional areas of the Complutense Library.

It will also offer you the opportunity of improving your Spanish. Knowledge of Spanish would be an asset!

For more information and applications, please send an email to M^a Aurora Díez Baños: madiezba@ucm.es

Hope to see you soon!

Kind Regards,
