

Da: **International Week** <internationalweek@universidadeeuropeia.pt>

Date: gio 19 ott 2023 alle ore 17:17

Subject: [SAVE THE DATE] - 18th International Week | Universidade Europeia, IADE-UE, IPAM

To:

Dear Partners, Colleagues and Friends,

Greetings from Portugal!

We are happy to announce that we will be organising the **18th International Week of Universidade Europeia, IADE-UE, IPAM Lisboa and IPAM Porto** between March 4th and 8th, 2024.

As always the event will have a **Lecture Program** and a **Staff Program**: the Professors will be teaching in our courses and attending Research Meetings (optional) and the international office staff colleagues will have the opportunity to present their institutions to our students. There will also be several opportunities for networking and social interaction exclusive to the participants.

The registration period will open in end of November/beginning of December, when we will inform you about the theme of the next edition and send you a preliminary program.

We would be grateful if you could spread this opportunity among your academic community and international office staff.

Wishing you a great day!

Cumprimentos / Best Regards,

Liliana Rosalino

International Office Coordinator
